

# OFFICIAL LETTER OF INVITATION

***CTE Workshop on Skills Training in Industry-Academia Collaboration:  
Best practices and implementation in the engineering, hospitality, and  
innovative entrepreneurship fields***

CHINESE TAIPEI, April 25-27, 2017

Dear APEC colleague,

We would like to convey our gratitude and appreciation for your support of Chinese Taipei's proposal to set up a multi-lingual website on industry-academia collaboration models (*commenced in November 2016*) and to organize a three-day CTE (Career and Technical Education) workshop in Chinese Taipei to showcase a series of strategically designed industry-driven CTE programs.

This CTE workshop will be held April 25–27, 2017. It will consist of a forum in Taipei on April 25 and visits to academic institutions and to industries in the engineering, hospitality and innovative entrepreneurship fields on the following days. The visits are intended to share Chinese Taipei's best practices implementing collaborative programs between technological universities and the private sector with fellow APEC economies, as an alternative approach to solving the escalating unemployment issue in the region. Workshop participants will be able to interact closely with both students and Industry-Academia Collaboration partner companies.

We would be extremely honored if you would join us for the 3-day workshop as our guest. We will provide the following: (1) one round-trip economy class airfare to and from Chinese Taipei; (2) airport pick-up; (3) hotel accommodation from April 24 to April 27 (4 nights, including the night before the opening forum in Taipei); and (4) breakfast, lunch, and dinner during the three days of the workshop (April 25–27).

We would greatly appreciate it if you could respond to our invitation before the end of this month to help us make arrangements. If you have any inquiries regarding the workshop and/or the program, please contact **Dr. Eric Yen-Liang Lin** ([ericlin@ntut.edu.tw](mailto:ericlin@ntut.edu.tw), [chou@ntut.edu.tw](mailto:chou@ntut.edu.tw)).

We look forward to seeing you in Chinese Taipei.

Warm regards,

*Wen Chung Pan*

Dr. Pan Wen-chung  
Minister of Education  
Chinese Taipei

## Reply Slip

**CTE Workshop on Skills Training in Industry-Academia Collaboration:  
Best practices and implementation in the engineering, hospitality and innovative  
entrepreneurship fields**

CHINESE TAIPEI, April 25–27, 2017
